

### ✓ In the International front

- To improve the quality service levels in Latin America
  - Our Tourism industry leader is attending the **XXXIII – CONPEHT** reunion in **Barcelona!**
  - A workshop tailored to the **restaurant services** will be facilitated in **Colombia**
  
- To bring the latest, most effective, principles and methods to your organization
  - We will follow up the **Third Global Forum for Change Facilitators** in Austria

*Great news...*

## ✓ In the local front

- We are leading another **change management project** to help a visionary client (with branches all over Mexico)
  - **gaining competitive advantage** by effectively introducing strategic changes
- We will continue disseminating the value of **Managing Strategic Changes**
  - conferences will be held and contributions to the magazine the **“Arte de los Negocios”** will continue

*Great news...*

✓ As **Change Management Specialists**, we now offer these services **in diverse industries**
